
Board Member Stephanie Lee, O.D. resignation

The Board sends a huge thank you to Dr. Stephanie Lee for all of her hard work and dedication as a Board member these past several years. Dr. Lee- you will be greatly missed.

Board Member Jeffrey Austin, O.D. reappointment

The Governor's Office for Boards and Commissioners has reappointed Jeffrey Austin, O.D. Dr. Austin's next term will run from 11/1/2024 to 10/31/2027.

Board Member Julieta Alamo-Leon, O.D. appointment

The Governor's Office for Boards and Commissions has appointed Julieta Alamo-Leon, O.D. to be the Board's newest member. She will complete Dr. Lee's term to 10/31/2024. Dr. Alamo-Leon has been a licensed optometrist in Nevada since 1994, graduating from SCCO-Ketchum. Since then, she has been in private practice in Las Vegas, a past speaker at "See and Ski" CEs, and both the former vice president and president of the Southern Nevada Optometric Society. Dr. Alamo-Leon's three decades of experience as an optometrist and business owner undoubtedly will be valuable assets to the Board. Dr. Alamo-Leon's first official duties will occur at the Board's next meeting on March 28, 2024 at 12pm. A Zoom link for remote attendance will be posted on the website on or by March 25, 2024 at 9am.

New Nevada Administrative Codes (NAC) 636 revisions

On January 24, 2024, the Board conducted its public NAC Workshop to edit, revise, eliminate or clarify our existing statutes in NRS 636 and AB 432 (NRS 636's 2023 revisions), and existing codes in NAC 636 and R066-19 (NAC 636's 2019 revisions).

The Board invites licensee commentary submitted to admin@nvoptometry.org on or before end of business March 24, 2024. Discussion will occur at the Board's next meeting on March 28, 2024 at 12pm.

Proposed elimination of existing NACs

NAC 636.110 "Do not meet the specifications of the American National Standards Institute" defined.

As used in NAC 636.120 to 636.200, inclusive, the phrase "Do not meet the specifications of the American National Standards Institute" means that the ophthalmic products:

1. Were not purchased from a manufacturer or wholesaler who warrants that they meet the most current version of those specifications, if applicable; or
2. Do not meet the most current version of those specifications, if applicable.

NAC 636.130 Posting of signs

1. A licensee shall post a sign at the entrance to any office that is registered with the Board as a practice location of the licensee. The sign must include, without limitation, the licensee's last name, as it appears on his or her license, the professional designation of the licensee and the hours during which the office is open.
2. A sign posted at a location which is remote from the office must specify, without limitation, the last name of the licensee as it appears on his or her license and his or her professional designation.

//

NAC 636.150 Ophthalmic products

1.

(b) A notice, “Does not meet the specifications of the American National Standards Institute” if the ophthalmic product does not meet the applicable specifications of the American National Standards Institute.

NAC 636.160 Spectacle lenses

2. A statement that the advertised lenses are clear, tinted or photochromic.

3. A statement that the advertised lenses are glass or plastic, single vision, bifocal or trifocal, that they are occupational or aphakic, and if the lenses are:

(a) Bifocal, the advertisement must state the segment size except for executive or dualens types.

(b) Trifocal, the advertisement must state the segment size except for executive or dualens and variable focus types.

(c) Occupational or aphakic, the advertisement must state that they are lenticular aspheric, lenticular nonaspheric or full-field aspheric.

Proposed edits* to existing NACs

* Final language is subject to the Nevada Legislative Counsel Bureau’s discretion and approval; strikethrough = proposed deletion; bolded font = proposed addition

NAC 636.142 Broadcast advertisements

1. Any broadcast advertisement placed by an optometrist licensed to practice in this State must include a ~~oral~~ statement of: . . .

NAC 636.160 Spectacle lenses

3. A statement that the advertised lenses are glass or plastic, single vision, bifocal or trifocal **progressive**, that they are occupational or aphakic. ~~and if the lenses are:~~

Proposed new NACs* to AB 432:

* Final language is subject to the Nevada Legislative Counsel Bureau's discretion and approval.

[AB432 - 636 \(2023\)](#)

AB 432 Section 9(a)- as used in this section, the issuance of a prescription for an ophthalmic lens cannot occur without the licensee performing a synchronous manifest refraction.

AB 432 Section 14- the intent of this section is to also address a licensee's permanent incapacitation, and the permanently incapacitated licensee's durable power of attorney, legal guardian as appointed pursuant to NRS 159- Guardianship of Adults.

AB 432 Section 15- The personal mailing address, telephone number, and electronic mail address of the licensee are to be kept confidential within the Board's internal files absent such information being the licensee's publicly known mailing address, telephone number or electronic mail address.

AB 432 Section 16- As used in this section, "disciplinary action" means an action resulting in a report to the National Practitioner's Databank regarding patient care, or a finding of unprofessional conduct as defined in NRS 636.295.

AB 432 Section 17(3)- As used in this section, the person may provide care up to 10 hours of informing the supervising licensee.

AB 432 Section 17(4)- The intent of this section includes the providing of prescriptions.

AB 432 Section 18- The intent of this section allows the originating licensee or licensee within the originating licensee's practice group in extenuating circumstances to issue, offer to issue, duplicate, or extend a prescription for the patient of the originating licensee or the originating licensee's practice group within the immediately preceding two years.

AB 432 Section 19(2)- As used in this section, no synchronous non-comprehensive examination can be conducted unless the licensee has access to the patient's records and contemporaneously reviews such records.

AB 432 Section 19(3)- As used in this section, "access" includes the act of reviewing such information prior to or contemporaneous with the examination. Nothing in this section is meant to prevent a licensee from providing care to a patient whom is already an existing patient within the licensee's practice group of the immediately preceding two years.
